

**A Good Mathematician Has...**

# **NUMBER SENSE**

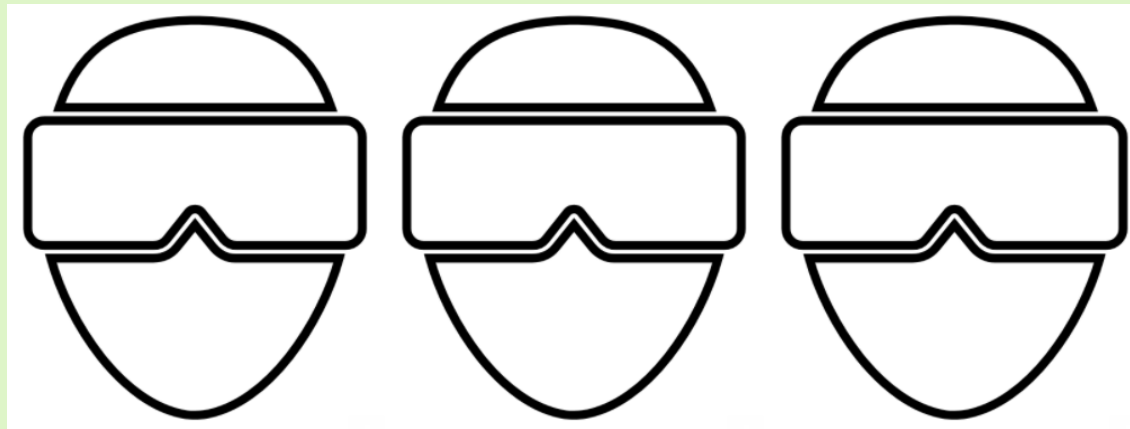

**I understand numbers.**

**A Good Mathematician Uses...**

# **Visualisation**

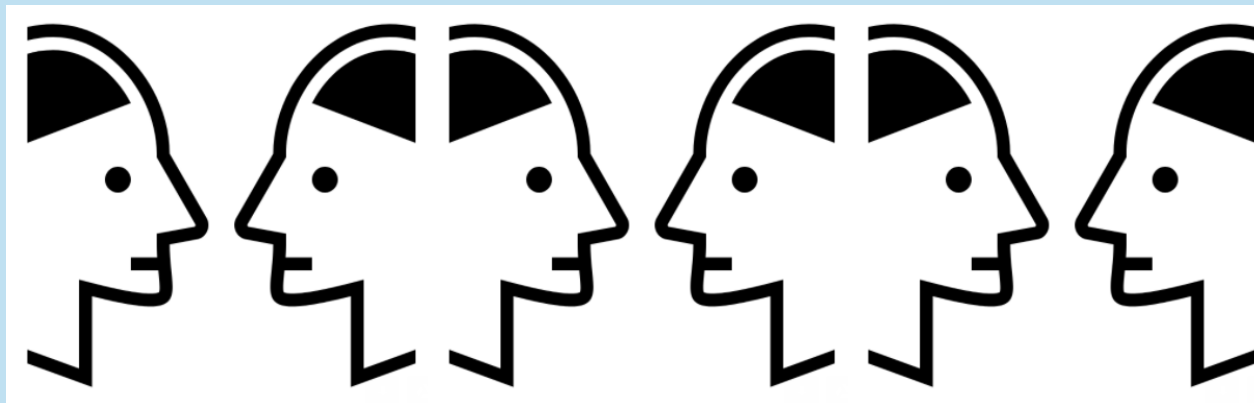

I can picture maths problems  
in my mind.

**A Good Mathematician Uses...**

# **Communication**

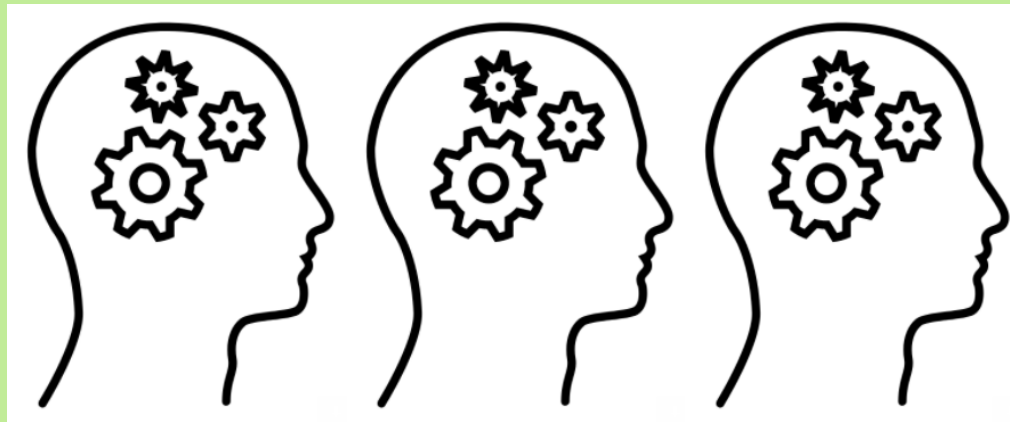

**I share my ideas, so that I can teach and learn from others.**

# A Good Mathematician Uses...

# Metacognition

I notice how I think,  
and I control my thinking.

**A Good Mathematician Uses...**

# **Generalisation**

I can apply my understandings to other problems and life situations.
